THE NATIONAL AND STATE ORGANIZATION

THE first of the centenary anniversaries of the events connected with the American Revolution occurred in 1875. In October of that year, in San Francisco, the first of the Revolutionary Societies was organized under the title of the "Sons of Revolutionary Sires." For many years this local society held various public patriotic and literary meetings. These proceedings were published in pamphlet form and distributed throughout the country.

On April 19th, 1889, the Massachusetts Society of the Sons of the American Revolution was organized.

On April 30th, 1889, in the old historic "Long Room" of Faunces' Tavern in New York was organized the National Society of the Sons of the American Revolution. At this meeting, delegates from thirteen States were present. The qualifications for membership were based upon lineal descent from a patriot of the American Revolution.

The National Society through a special act of Congress, was incorporated June 9th, 1906.

PURPOSE OF THE SOCIETY

“To perpetuate the memory of the patriotic men and women from whom we are descended, who, by their services and sacrifices, achieved American Independence; to promote fellowship among their descendants; to promote and assist the proper celebration of patriotic anniversaries; to encourage historical research in relation to the American Revolution; to collect and secure for preservation books, records, documents, relics and memorials of that war; and by these and other means to impress upon the present and future generations the patriotic spirit which actuated our ancestors, to the end that ‘Government of the people, by the people, and for the people shall not perish from the earth.’”

The Society preserves for future generations the ancestry of its members back to the period of the Revolution.

The Society is non-secret, non-political, non-partisan, non-sectarian.

MEMBERSHIP

Any man shall be eligible to membership in the Society who, being of the age of twenty-one years or over, and a citizen of good repute in the community, is the lineal descendant of an ancestor who was at all times unflinching in his loyalty to, and rendered active service in, the cause of American Independence, either as an officer, soldier, seaman, marine, militiaman or minute man, in the armed forces of the Continental Congress, or of any one of the several Colonies or States, or as a signer of the Declaration of Independence; or as a member of a Committee of Safety or Correspondence; or as a member of any Continental, Provincial, or Colonial Congress or Legislature; or as a recognized patriot who performed actual service by overt acts of resistance to the authority of Great Britain.

REASONS FOR MEMBERSHIP

It teaches patriotism and good citizenship.

It is a practical way of honoring our patriotic forefathers.

It preserves for future generations a line of ancestors of members back to the period of the Revolution.

The Society encourages continued public interest in the men and events of the American Revolution.

By a wide distribution of leaflets, printed in fifteen different languages, distributed for use in night schools throughout the country, which are largely attended by adult aliens, it teaches the millions of aliens in the United States what the Nation stands for, what it means for them to become a part of the body politic and to participate in the duties and responsibilities of active citizens.

“The man who feels no sentiment of veneration for the memory of his forefathers, who has no natural regard for his ancestors, or his kindred, is himself unworthy of kindred regard or remembrance.”

Daniel Webster.

“Planted in barren ground, anarchism grows only feebly; but in this country the eternal criticism of and assault upon every respectable and historic institution of the republic, often by men in highest position, has furnished the cult a fertile soil in which to propagate.”

Detroit Free Press.

THE INSIGNIA

THE BADGE

Obverse: A gold cross of four arms and eight points, of the same size as the Chevalier's Cross of the French Legion of Honor, with white enamelled arms. In the centre is a gold medallion bust of George Washington in profile, surrounded by a ribbon in blue enamel, on which is the motto of the Society in gold letters, "Libertas et Patria." Between the medallion and the points of the cross is a laurel wreath.

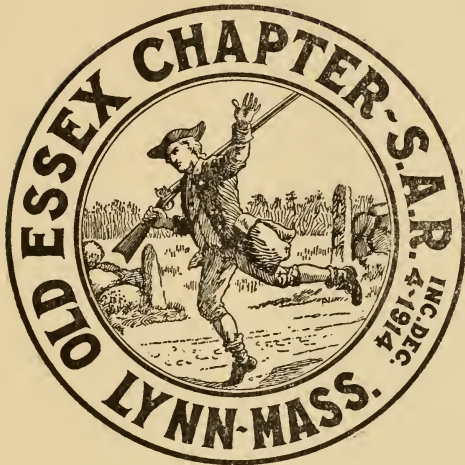

Reverse: Like the obverse; the medallion, however, has the figure of a minute-man, surrounded by a ribbon in blue enamel, containing in gold letters the words, "Sons of the American Revolution." The cross is surrounded by an eagle in gold, suspended by a silk ribbon of blue, white and buff.

The cross is a reproduction of the emblem of the French Order of St. Louis, with certain changes, and was adopted to commemorate the assistance given the the Colonies by Louis XVI, Grand Master of that order. The medallion, containing the head of Washington and the figure of the minute-man, is fitly placed upon a cross of such an origin and associations.

The insignia is only to be worn on ceremonial occasions.

By authority of Congress, the officers and men of the United States Army and Navy may wear the insignia "on occasions of ceremony."

CHAPTER SEAL

HISTORY OF CHAPTER SEAL

The above represents the corporate seal of OLD ESSEX CHAPTER, S.A.R., Inc., of Lynn, which has the distinction of being the first chapter in the United States to be incorporated.

The central figure is C. A. Lawrence's conception of ABEDNEGO RAMSDELL, the first Lynn soldier killed in the Revolutionary War. The model who stood for the picture posed with the Revolutionary flintlock of

Daniel Townsend, another Lynn man who was killed in the Revolution.

Tradition records that Abednego Ramsdell was shooting ducks on the Lynn beach when he heard the alarm of April 19, 1775. He dropped the ducks he had killed, and, shouldering his long gun, started for the scene of battle, and was observed running up Lynn Common. Later he was reported as seen running at full speed by a woman whose house he passed. She said that Abednego's hose had slipped from his trouser bands, or garters, and were fallen about his ankles. Having a presentiment of his doom, she warned him to give up. Needless to say, he scorned this advice, waved his hand in farewell, and was soon out of sight along the Boston road. He was shot almost as soon as he arrived on the scene of the retreat of the British from Lexington.

NOTE; Full credit for the original conception of this seal is here accorded to Hon. Nathan Mortimer Hawkes, a former President of the Chapter.

CHRONICLES OF THE CHAPTER

FEBRUARY 25, 1896.

The preliminary meeting of the Chapter was held in the rooms of the Lynn Mutual Fire Insurance Co., with Compatriots Rufus Kimball, Richard Johnson Nichols, Edward Nelson Todd, Capt. John Lord Parker, George Henry Rich, Frank Lyman Earl and Howard Kendall Sanderson in attendance. Capt. John Lord Parker read the Charter, which had been issued by the Massachusetts State Society on Feb. 7, 1896. It was voted to change the name of the organization from "Colonel John Mansfield Chapter," under which name the Charter had been issued, to "OLD ESSEX CHAPTER." A committee was appointed to draw up a constitution and by-laws, and the draft as presented by said committee was subsequently adopted.

The following officers were chosen:

President, Hon. Henry Cabot Lodge,
1st Vice-President, Rufus Kimball,
2d Vice-President, George Henry Rich,
Secretary, Howard Kendall Sanderson,
Treasurer, Frank Lyman Earl,
Registrar, Richard Johnson Nichols,
Historian, Capt. John Lord Parker.

APRIL 18, 1896.

Compatriot George Henry Rich read a paper "On the part taken by his ancestors in the War for Independence." Said paper was ordered to be printed in the *Lynn Item*.

JUNE 16, 1896.

A meeting was held at the residence of Capt. John Lord Parker, at which papers were read by Compatriots Capt. John Lord Parker, Rufus Kimball, Dr. Isaac Francis Galloupe and Richard Johnson Nichols.

A committee consisting of Compatriots Capt. John Lord Parker, Frank Lyman Earl and Dr. Arthur Bartlett Mudge was appointed to locate the graves of Revolutionary Soldiers buried in Lynn.

FEBRUARY 23, 1897.

A meeting was held at the residence of Dr. Isaac Francis Galloupe. The Secretary was authorized to arrange for a Field Day at Lexington. Dr. Galloupe read a paper on "The early Indian troubles in New England."

The Chapter seems to have been in a dormant state from Feb. 23, 1897 to Feb. 11, 1903, since there were no records of any intermediate meetings. The membership prior to the latter date, as far as can be ascertained, was fifteen.

FEBRUARY 11, 1903.

A meeting of the Chapter for the purpose of reorganizing was held in the rooms of the Lynn Historical Society.

The following officers were chosen:

President, Hon. Henry Cabot Lodge,
1st Vice-President, Capt. John Lord Parker,
2d Vice-President, Edward Franklin Bacheller,
Secretary, Hon. Howard Kendall Sanderson,
Treasurer, Fred Isaac Hopkins,
Registrar, Richard Johnson Nichols.

At this meeting, twenty new members were elected, due to the activity and zeal of Secretary Sanderson.

It was voted to petition the City Council for an appropriation for the purpose of providing markers for the graves of Lynn's Revolutionary soldiers, and it was also voted to hold a Field Day during the coming summer for the purpose of marking said graves.

APRIL 1, 1903.

A meeting was held in rooms of the Lynn Historical Society. Dr. Francis Henry Brown, the President of the State Society, paid the Chapter an official visit. The Secretary reported that orders had been placed with the War Department for 103 markers which the government furnishes f.o.b. to designate the authenticated graves of soldiers in the various wars since the

separation from the mother country. These markers for an equal number of Lynn's Revolutionary dead were to be ready in time for the proposed Field Day for which the arrangements were well under way.

It was voted to petition the Cemetery Commissioners to close the Ash St. entrance to the old Western Burying-ground, inasmuch as the use of this hallowed spot as a playground by the boys of the neighborhood had become too common.

MAY 23, 1903.

The annual meeting was held in the Old Tunnel Meeting House with the President Hon. Henry Cabot Lodge in the chair.

It was voted to hold the Field Day on the 4th of July next and to invite the City Government to co-operate with the Chapter in the exercises of dedicating the markers in the old Western Burying-ground, for which the City Council had made a generous appropriation. His Honor, Henry Wilson Eastham, the Mayor, was present, and guaranteed the co-operation of the City Government in the work of the Chapter.

Compatriot Hon. Nathan Mortimer Hawkes gave a most interesting sketch of the "Old Tunnel Meeting House."

MARCH 15, 1904.

A meeting was held in the rooms of the Lynn Historical Society. Inasmuch as the plan of holding

the proposed Field Day on the 4th of July, 1903, could not be carried out, it was voted to hold said function on the 17th of June next, and to invite the co-operation of the Lynn Historical Society. A committee consisting of Compatriots Sanderson, Bliss, Brown, Comey and Mudge was appointed with full powers to arrange for the proposed Field Day.

APRIL 18, 1904.

The Annual Meeting was held at the residence of the Secretary, Hon. Howard Kendall Sanderson. The report of the Secretary which was submitted showed that through the efforts of OLD ESSEX CHAPTER there had been placed in position, during the year, 185 markers and 123 gravestones to designate the graves of Revolutionary soldiers in Lynn.

The following officers were elected: —

President, Hon. Henry Cabot Lodge,
1st Vice-President, Capt. John Lord Parker,
2d Vice-President, Hon. Nathan Mortimer Hawkes,
Secretary, Hon. Howard Kendall Sanderson,
Treasurer, Fred Isaac Hopkins,
Registrar, Richard Johnson Nichols.

The host of the evening exhibited his valuable collection of autographs, which included almost all of the signers of the Declaration of Independence.

MARCH 20, 1905.

A special meeting was held in the rooms of the Lynn Historical Society to consider the proposition of suitably marking the graves of the Revolutionary soldiers in Lynnfield and Saugus, and a committee was appointed to make the preliminary arrangements.

A committee was appointed to draft suitable resolutions on the death of Hon. Howard Kendall Sanderson, late Secretary of OLD ESSEX CHAPTER.

APRIL 18, 1905.

The Annual Meeting was held at the camp of Com-patriots Carolus Melville Cobb, M.D., and George Spencer Bliss, situated on the shores of Sluice Pond. At this time and place the first "*steak dinner*" in the history of the Chapter was served. That this was a popular innovation was proved by the subsequent increase of membership.

The committee on marking the graves of the soldiers buried in Saugus and Lynnfield presented the report —

(a) "The Selectmen of Saugus request that the proposition as it affects that town be deferred for a year."

(b) "The authorities and people of Lynnfield are enthusiastically in favor of the project and are anxious to do all that they can to make the function a success."

The Chapter therefore voted to hold the dedicatory exercises at Lynnfield on the 17th of June next;

appointed a committee to carry out this plan; and voted to invite the Lynn Historical Society and the Chapter of the Third Plantation, D.R. to co-operate.

The officers of the previous year were severally re-elected.

The committee appointed to draft suitable resolutions on the death of Compatriot Sanderson, reported:

“In the death of our late Secretary, Howard Kendall Sanderson, OLD ESSEX CHAPTER has suffered a serious loss. A charter member of our organization, an enthusiast on all matters relating to the Revolutionary period, an earnest student of American history, a tireless collector and careful compiler of facts that will enrich our annals, a leader in the movement to assemble and preserve the names of the sons of Lynn who fought in the patriot army, and permanently to mark their graves, he fairly earned the right to the high and honorable title of “*patriotic citizen.*”

We miss him from our councils; we regret that we can no longer hear his cheerful voice; that no more shall we have his bright example of earnest endeavor to preserve the record of the deeds of the fathers of our country; that we have lost his valuable assistance at a time when it was needed rightly to complete the work he had so well begun.

“We recognize his rare accomplishments in other lines of endeavor, and record our appreciation of his eminent ability and his usefulness as a public servant,

a good neighbor, a faithful friend, and a lover of his country.

“Resolved: That OLD ESSEX CHAPTER, Sons of the American Revolution, tender to the family of our departed compatriot our sincerest sympathy, and share with them the sorrow which his loss has caused.”

(Signed) JOHN L. PARKER }
WEBSTER BRUCE } *Committee*
LEON E. WILSON }

It seems fitting here to make some further mention of Compatriot Sanderson, who, by virtue of his ability and activity, was one of Lynn's most prominent men.

He died Dec. 14, 1904, at the early age of thirty-nine years, but the span of life allotted to him had been crowned with achievement. His interests were many and varied. He had served his city for four and one-half years as postmaster, and had represented it with great credit in both branches of the State Legislature. He had been the most active agent in organizing OLD ESSEX CHAPTER and had been its Secretary and controlling spirit from its organization until his death. Through his efforts, the National Congress had enacted the law authorizing the marking with headstones to be furnished by the War Department of the authenticated graves of Revolutionary soldiers. Largely owing to his activity and zeal, the graves of 196 Revolutionary soldiers buried in Lynn, Lynnfield,

and Saugus were located and suitably marked with government headstones and the official markers of the S.A.R., and thus Lynn may boast of having within her original territory a larger number of these markers than any city in the United States.

His most notable work, however, was the publication in two handsome volumes of "Lynn in the Revolution" which contains a biographical sketch of 483 of the sons of Lynn who served in the Revolutionary War. This work was not fully completed at the time of his death, but it was so far advanced and its scope was so well determined that it could in due time be published by his widow.

My country, 't is of thee,
Sweet land of liberty,
Of thee I sing;
Land where my fathers died,
Land of the pilgrims' pride,
From every mountain side
Let freedom ring.

My native country, thee,
Land of the noble, free —
Thy name I love;
I love thy rocks and rills,
Thy woods and templed hills;
My heart with rapture thrills
Like that above.

Let music swell the breeze,
 And ring from all the trees
 Sweet freedom's song;
 Let mortal tongues awake,
 Let all that breathe partake,
 Let rocks their silence break,
 The sound prolong.

Our fathers' God, to Thee,
 Author of liberty,
 To Thee I sing;
 Long may our land be bright
 With freedom's holy light;
 Protect us by Thy might,

OCTOBER 19, 1906.

Meeting held in the rooms of the Lynn Historical Society. Certain alterations in the Constitution and By-Laws as recommended by the Board of Managers were adopted. A paper on "*Gove's Rebellion*" was read by the Secretary. A substantial collation concluded the exercises.

APRIL 18, 1907.

The annual meeting was held at Ancient Sirloin Camp, situated on the shores of Sluice Pond. A steak dinner was served at 6:30 P.M., followed by a business meeting, at which the reports of the Treasurer and the Secretary were presented. The report of the latter showed the membership to be fifty-two, a net gain for the year of eight. A committee of five was appointed to represent the Chapter during the celebration of Old Home Week in the week beginning July 29th next.

The following officers were elected for the ensuing year:

President, Hon. Nathan Mortimer Hawkes,
Vice-President, George Spencer Bliss,
Vice-President, Henry Fuller Tapley,
Secretary-Registrar, Luther Atwood,
Treasurer, Webster Bruce,
Historian, Horace Hale Atherton, Jr.

MAY 4, 1907.

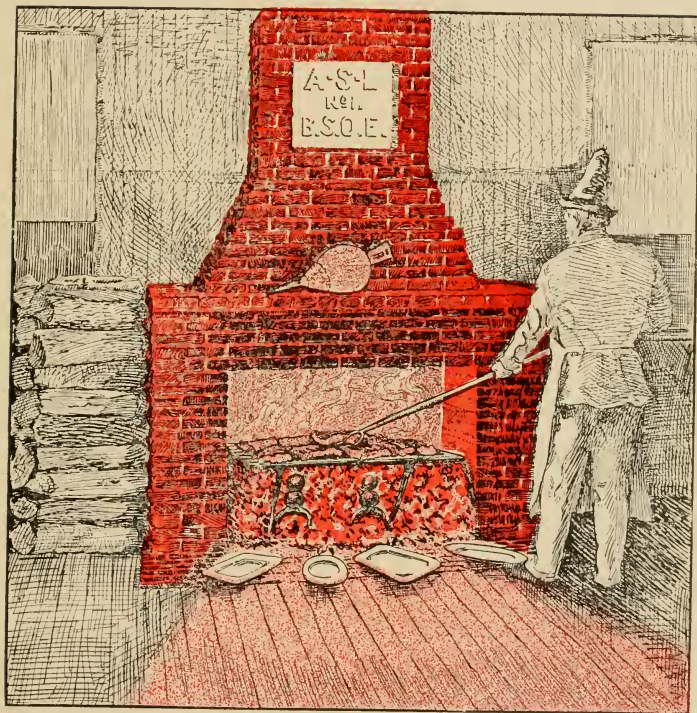

A special meeting of the Chapter was held in conjunction with Ancient Sirloin Lodge at the camp of the latter organization. An excellent dinner was served by caterer Schlehuber. This was followed by an address by Compatriot Edward Jones Cox of Newtonville on "Freemasonry during the Revolution." The essayist in a most interesting manner described the prominent part played by the members of the Order during the Revolutionary struggle, which included the peerless galaxy of Washington, Warren, Lafayette, Steuben, Hancock, Putnam, Prescott, Hamilton, Wayne, Sullivan, Revere and a host of other eminent names too numerous to be here recorded.

The Weber Quartet of Boston furnished several appropriate selections during the evening.

OCTOBER 19, 1907.

A regular meeting was held at Ancient Sirloin Camp in commemoration of the battles of Saratoga and of Yorktown. The guests of the Chapter were — General Charles Kimball Darling, of Concord, President of the Massachusetts Society, S.A.R.; Compatriot Charles French Read of Brookline, Historian of the State Society; and Compatriot Edwin Day Sibley, of Somerville, who, through the courtesy of Compatriot Henry Fuller Tapley, were given a most enjoyable automobile ride along the North Shore, prior to their arrival at the place of meeting. Just before sunset,

Ancient Sirloin Lodge

Lynn, Massachusetts

a walk was taken by the guests and many of the assembled compatriots through the Lynn Woods to "The Tower" on Burrill Hill, where a splendid view of the gorgeous autumnal foliage was obtained.

After the regulation steak dinner had been dispensed with, a business meeting of the Chapter was called. This was followed by admirable addresses by President Darling and Historian Read, and then Compatriot Sibley read, to the unbounded delight of his audience, several of his inimitable selections portraying New England character.

JANUARY 3, 1908.

A special meeting was held in the rooms of the Lynn Historical Society. The address of the evening was furnished by Compatriot George Artemas Crawford of Brookline, retired Chaplain of the U.S. Navy, who spoke most eloquently and entertainingly on "A Winning Navy and Why it Wins."

APRIL 17, 1908.

The annual meeting was held at Ancient Sirloin Camp, with Judge Edward Clarence Battis, of Salem, the nominee for President of the Massachusetts Society, S. A. R., as the special guest. The business session followed the usual dinner. The President of the Chapter, Hon. Nathan Mortimer Hawkes, in his interesting introductory remarks, alluded to the eminent propriety of the observance by our Society of the "19th of April,"

and referred to a point, which the historian must give him credit for first noting, "that in the history of the Anglo-Saxon race this day, in cycles of 86 years, marks four events of transcendent interest and importance, to wit:

(a) The Union of the Crowns of England and Scotland, under James I in 1603;

(b) The Confirmation of the English Constitution, by William III, in 1689;

(c) The Battle of Lexington, in 1775;

(d) The Attack on Fort Sumter, in 1861."

The reports of the Treasurer, the Historian and the Secretary were presented. The report of the latter showed the present membership of the Chapter to be 104, representing a gain during the year of 52 members, or exactly 100%. Inasmuch as 147 members had been admitted to the Massachusetts Society during the year, it may be noted that Lynn contributed considerably more than *one third*. Of the fifteen chapters which are included in the State Society, OLD ESSEX CHAPTER ranks in numerical strength, *second* only to the *George Washington Chapter*, of Springfield, which has 122 members.

In the election which followed, the former board of officers was re-elected for the ensuing year.

Compatriot Battis, in a felicitous address, presented the congratulations of the State Society over the growth and activity of the Chapter, and then the presiding officer, without previous warning, called upon Compatriots —

Capt. John Lord Parker,
Hon. Asa Tarbell Newhall,
Capt. Henry Newton Comey,
Horace Hale Atherton, Jr., and
Henry Breed Sprague.

The very interesting extemporaneous remarks made by these different gentlemen showed conclusively that OLD ESSEX CHAPTER possesses an inexhaustible supply of oratorical talent.

OCTOBER 8, 1909.

Vice-President Henry Fuller Tapley invited the members of the Chapter, and also the State Board of Managers to meet at his residence for an evening of social intercourse and good fellowship. A bounteous collation was served and the unlimited hospitality of Compatriot and Mrs. Tapley was thoroughly appreciated by the large company of State officials and Chapter members present. An interesting feature of the evening was an exhibition of the excellent portrait of Zachariah Atwell, which is believed to be the only portrait in existence of a Lynn Revolutionary soldier. The portrait was loaned for the evening by

Compatriot Henry Newhall Berry, a great-great grandson, and it was especially noteworthy inasmuch as Mr. Atwell was the ancestor of five members of the Chapter who were present.

OCTOBER 17, 1908.

A regular meeting was held at Ancient Sirloin Camp. The special guests of the Chapter were the Rev. Lewis Wilder Hicks, of Wellesley, the Chaplain of the State Society and Compatriots Edwin Sanford Crandon, of Cambridge, and Vernon Ashley Field, of Chelsea, who were met at the railroad station by Compatriot George Everett Sprague and treated to a delightful automobile ride of fifty miles through the most picturesque and historically interesting section of Essex County. The gorgeous foliage of autumn and the balmy weather (the thermometer registering 75°) made this diversion most enjoyable for our guests. The usual steak dinner was served, and in due time the guests of the evening were presented and Compatriots Hicks, Crandon and Field, in eloquent words of patriotism, testified to the transcendent part which the yeomen of ESSEX COUNTY had played in the Revolutionary struggle.

A feature of the evening, wholly unexpected by the recipient, was the presentation by the members of the Chapter of a beautiful gold insignia of the Society to the Secretary-Registrar.

Mr. John C. S. Andrew, Sub-Principal of the Lynn

English High School and President of the Old South Historic Society, gave a most comprehensive and scholarly paper, illustrated by the stereopticon, on "REVOLUTIONARY BOSTON."

DECEMBER 18, 1908.

A special meeting was held in the rooms of the Lynn Historical Society. The guest of the evening was Compatriot Philip Reade, Brigadier-General U.S. Army (retired) who, with several of the officials of the Chapter, had previously been entertained at dinner by Compatriot and Mrs. Henry Fuller Tapley. General Reade spoke most interestingly on "Military Life among the Moros," a subject which by virtue of his recent extended service in the Philippine Islands he was most competent to handle.

MARCH 4, 1909.

A special meeting was held at Ancient Sirloin Camp. A violent and almost country-wide blizzard had been raging for two days, but the *Sons of Patriotic Sires* were not to be denied the pleasure of their contemplated meeting at this cosy sylvan lodge. Compatriot Arthur Wellington Pinkham generously tendered his powerful limousine to convey any members not provided with a comfortable means of transit, and his car made five separate trips to the vicinity of the place of meeting. Once inside the camp, a genial fire blazing on either hearth and the appetizing odor of

steak and onions quickly dispelled all thoughts of the storm raging without.

The paper of the evening was given by Charles Howard Bangs, M.D., on "Benedict Arnold: Why Was He a Traitor?"

APRIL 16, 1909.

The annual meeting was held at Ancient Sirloin Camp. The reports of the Historian, the Treasurer and the Secretary were presented. The latter showed that OLD ESSEX CHAPTER now stands numerically at the *head* of the 15 chapters in the State with 138 members. The total number of members admitted during the year was 39, but the losses by death and transfer of membership amounted to 5. The *second* Chapter in the State is the *George Washington Chapter* of Springfield, which at present has 125 members.

Several alterations and amendments to the Constitution were adopted.

The following list of officers was unanimously elected for the ensuing year:

President, Hon. Nathan Mortimer Hawkes,

Vice-President, Henry Fuller Tapley,

Vice-President, Horace Hale Atherton, Jr.

Secretary, Luther Atwood,

Treasurer, Webster Bruce.

Historian, Charles Howard Bangs, M.D.

The chair also nominated an Advisory Committee of five, consisting of —

Compatriots Louis Augustus Wyman,
George Edward Pillsbury,
Richard Johnson Nichols,
George Hill Batchelder,
James Rollin Viets.

Charles Jephtha Hill Woodbury, Sc.D., who was present as the guest of the Chapter, gave a most interesting address on "Matters pertaining to the Early History of the Country."

OCTOBER 19, 1909.

A regular meeting was held at Ancient Sirloin Camp. The special guests of the Chapter were —

Hon. Edward Clarence Battis of Salem, President of the State Society,
Mr. Narazo Takatsugi, of Tokyo, Japan,
Prof. John Paul Goode, Ph. D. of the University of Chicago.

After an excellent dinner had been dispensed with, the assembled compatriots, who taxed the capacity of the camp, were called to order for an evening of rare enjoyment.

1. President Battis gave a most interesting talk on the incidents which centered at Saratoga just 132 years ago.

2. President Nathan Mortimer Hawkes read a most masterly paper on "Increase Newhall's House, or the Minute-Men's Tavern."

3. Mr. Narazo Takatsugi, Director of the Kanegafuchi Spinning Company of Tokyo, Japan (employing more than 14,000 hands) who was making a tour of the United States with the "Japanese Commercial Commission" gave a most interesting account of the industries of that country, and paid a glowing eulogy to Commodore Perry, whom he declared his countrymen fairly idolized. As a fitting climax to his address, Mr. Takatsugi rendered by request, in his native tongue, the "Song of the Warrior" which dates back 2600 years before the Christian Era.

4. Professor Goode, who had been appointed by the U.S. Dept. of State one of the three delegates to escort the "Japanese Commercial Commission" through the principal industrial cities of the Union, gave a most entertaining account of the tour which had thus far been made and touched on the great commercial advantages which must accrue from the interchange of courtesies between these two great and widely separated nations, and from the comparison of ideas of their representative men.

5. Compatriot Charles Jephtha Hill Woodbury, Sc.D., who had been instrumental in securing the attendance of the two previous speakers, read an autograph letter from President William Howard Taft in which he thankfully acknowledged the receipt of a copy of

“The 275th Anniversary of the First Congregational Church of Lynn.” Doctor Woodbury also gave some very interesting reminiscences of Japan and of the famous ship captains of a former generation who had traded with that distant country.

MARCH 4, 1910.

A special meeting was held at Ancient Sirloin Camp with 70 Compatriots in attendance, which was the record number in the history of the Chapter. The special guests were Judge Edward Clarence Battis, of Salem, and Brigadier-General Philip Reade of Lowell, respectively the President and the Historian of the State Society. The usual steak dinner was served at six P.M., which was followed by a business meeting.

Compatriot George Spencer Bliss presented the report of a Committee previously appointed to consider the project of publishing a Register of OLD ESSEX CHAPTER. After a general discussion it was moved to postpone action on this report till the next annual meeting.

Interesting remarks were made by the guests of the evening, President Battis and Historian Reade, and then the 2nd Vice-President of the Chapter, Compatriot Horace Hale Atherton, Jr., presented a most entertaining paper, superbly illustrated by stereopticon on “Seeing America First,” in which he described a trans-continental trip made by himself with visits to

the Yellowstone Park and the Grand Canon of Colorado.

Compatriot Charles Knowles Tripp completed the evening's entertainment with a most clever exhibition of *legerdemain*, of which art he is certainly a master.

APRIL 15, 1910.

The annual meeting was held at Ancient Sirloin Camp. By way of innovation a lobster dinner was served at 6.30 P.M. Barrels of this edible crustacean were provided by the commissary department of the Chapter, and it was noted that each Compatriot "got away" with from three to seven lobsters. The slaughter of *these red coats* on this occasion far exceeded that made by our Revolutionary sires at Lexington and Concord 135 years before.

At the formal business meeting called at 7.40 P.M. the reports of the Historian, the Treasurer and the Secretary were presented. The report of the latter showed that: —

Thirty-three new members had been admitted during the year, two members had died and three had resigned, making the present membership of OLD ESSEX CHAPTER, 166.

Action on the report of the Book Committee was postponed as a special subject for the next meeting of the Chapter.

The election of officers for the ensuing year resulted in the choice of:

President, Horace Hale Atherton, Jr.

Vice-President, Charles Jephtha Hill Woodbury, Sc.D.

Vice-President, Henry Fuller Tapley.

Secretary, Luther Atwood.

Treasurer, Webster Bruce.

Historian, Charles Howard Bangs, M.D.

MAY 17, 1910.

A reception to President and Mrs. Horace Hale Atherton, Jr., and a Ladies' Night was held at the Oxford Club from 8 to 10.30 P.M. A large number of Compatriots and their ladies attended, and the President of the Massachusetts State Society, Nathan Warren, Esq., of Waltham, and Mrs. Warren honored the Chapter by their presence. Appropriate addresses were made by Presidents Atherton and Warren, and Compatriot Edwin Day Sibley, of Somerville, rendered to the great delight of the audience, several of his inimitable character sketches.

A bountiful collation was served, and dancing and social intercourse concluded the function, which was a notable success.

OCTOBER 19, 1910.

A regular meeting of the Chapter was held on this date to celebrate the 129th anniversary of the battles of Yorktown and of Saratoga. The program was

most unique and was successfully carried out under ideal conditions, for the day was one of the choicest which New England's Indian Summer could offer, being marked by the clearest of skies and a balmy temperature of 80°.

At 2.15 P.M., special electric cars were taken for a visit to the Navy Yard at Charlestown, where, through the courtesy of the Honorable Ernest W. Roberts, member of Congress from the 7th Massachusetts District and a member of the House Committee on Naval Affairs, unusual privileges were extended to us to inspect the yard and the battleships there stationed. The Chapter was officially received by Congressman Roberts and by Lieutenant Commander Wright of the U.S. Navy, who had been detailed to act as escort to the various places of interest in the yard. The first objective point was "*Old Ironsides*," and in the cabin of this historic vessel, pregnant with the memories of so many of the most glorious achievements of the United States Navy, President Atherton introduced our host and honored guest, who made a brief and appropriate response. After inscribing our names in the ship's register, the party proceeded to the U.S.S. "*Michigan*," the most powerful battleship in the Navy, and inspected the vessel from stem to stern. After visiting the various machine shops the party again boarded the special cars which were in waiting and proceeded to Lynn, where at Ancient Sirloin Camp a bountiful steak dinner was served.

At 8 P.M., President Atherton called the company to order and presented the President of the State Society, Nathan Warren, of Waltham, who made a most interesting address, in which he described the consummate strategy of Washington in compelling the surrender of Cornwallis at Yorktown before reinforcements could reach him.

The Honorable Ernest W. Roberts was then introduced, and he gave a most illuminating talk on the recent development of our Navy from the days of the "Boston" and the "Atlanta" to the powerful "Michigan," "Virginia," "Rhode Island," and vessels of similar type of the present day. He stated that the battle-ships of the "Virginia" class were as much superior to the "Oregon," the pride of the Navy during the war with Spain, as the latter vessel was to the "Constitution." He also described the new types of torpedoes which have an effective range of 4000 yards, and the "submarines," which are destined to play an important part in the defence of our seaports. He described the marked advance made in gunnery during recent years and credited our gunners with a proficiency of accuracy unparalleled by any navy in the world. He paid a marked compliment to the *personnel* of the Navy, a very large per cent of whom are *American* citizens.

The conclusion of the address was marked by a ringing round of cheers and a most cordial vote of thanks for the courtesies extended.

APRIL 14, 1911.

The annual meeting was held at Ancient Sirloin Camp. After the regular steak dinner had been served, the Chapter was called to order for its regular business session. A contribution was made in the name of OLD ESSEX CHAPTER to the New England Historic Genealogical Society toward the erection of a new fire-proof building to store its priceless collection.

The reports of the Historian, the Treasurer and the Secretary were presented. The report of the latter showed the present membership of the Chapter to be 178, a net gain of 12, although 18 new members had been admitted during the year.

The former board of officers were re-elected for the ensuing year, and then two excellent historical papers were presented:

I. "John Willis, Innkeeper, and the Abolition of the old (May) Election Day," by Compatriot Hon. Nathan Mortimer Hawkes.

II. "Lights and Shadows of the War, 1861-5," by Compatriot Captain John Lord Parker, Past Commander of the Mass. Dept. of the G.A.R.

AUGUST 16, 1911.

A special mid-summer meeting was held at Ancient Sirloin Camp, which was appropriately char-

acterized as "PRESIDENTS' NIGHT," inasmuch as there were in attendance as guests:

MOSES GREELEY PARKER, M.D., of Lowell,

President-General of Nat. Soc. S.A.R.;

EDWIN SANFORD CRANDON, of Cambridge,

President Mass. Soc. S.A.R.;

CHARLES DANA BURRAGE, of Boston,

President Mass. Soc. S.R.;

HORACE HALE ATHERTON, JR., of Saugus,

President of OLD ESSEX CHAPTER;

and the Presidents of various banks and other organizations in this community, which fact indicates the high character of the Compatriots who comprise OLD ESSEX CHAPTER.

Through the courtesy of Compatriots Henry Breed Sprague and Arthur Wellington Pinkham, the guests were given an automobile ride about Lynn and Marblehead in the afternoon. At 6:30 p.m., a bountiful steak dinner was served, following which, excellent addresses were made by Presidents Atherton, Crandon, Burrage, President-General Parker, Dr. Woodbury, Vice-President of OLD ESSEX CHAPTER and also of the Lynn Historical Society, and Lieut-Colonel Harry Lamprey Brown, the Treasurer of the Waltham Watch Company.

OCTOBER 18, 1911.

A regular meeting of the Chapter was held at Ancient Sirloin Camp in celebration of the 130th anniversary of the battles of Saratoga and of Yorktown, and despite the very heavy rain it was marked by a large attendance. It was a most unique spectacle to observe the many powerful motor cars loaded with Compatriots plowing their way through the mud and water which, in the Cimmerian darkness, would have made the forest trail almost impassable to pedestrians. The good cheer of roaring wood fires blazing on the two fireplaces of the Camp and an excellent steak dinner soon dispelled all thoughts of the storm which raged outside.

It was voted to present in the name of the Chapter a silk flag of the Commonwealth of Massachusetts to the State Society for its use at the coming Congress of the National Society, Sons of the American Revolution, to be held in Boston during the month of May next.

Compatriot Captain John Lord Parker presented a most interesting paper on "Yorktown." The speaker, who had seen service at Yorktown during the Civil War, treated in a most scholarly and original way this historic battle ground which in the two greatest conflicts in our Nation's history has been the arena of most important events.

Addresses were also made by Judge Edward Clarence Battis, of Salem, Captain Joshua Atwood, of Brighton,

the Commander of the First Corps of Cadets of Boston, Captain Henry Newton Comey, of Danvers, and Vice-President, Charles Jephtha Hill Woodbury, Sc. D. of OLD ESSEX CHAPTER.

FEBRUARY 22, 1912.

At the meeting of the Massachusetts Society, S.A.R., which was held at the Hotel Vendome in Boston, the silk flag of the Commonwealth, which had been donated by OLD ESSEX CHAPTER, was presented to the State Society with appropriate ceremonies. The flag was unfurled by Compatriot Philip Asa Sanborn, the youngest member of the Chapter, and Horace Hale Atherton, Jr., the President, made a most graceful speech of presentation. The President of the State Society, Edwin Sanford Crandon, responded in a most felicitous manner and in behalf of the Society heartily thanked the Chapter for its handsome gift.

MARCH 8, 1912.

At the meeting of the State Board of Managers, it was "VOTED, that the Board, in the name of the Society, herewith places on record its most hearty appreciation of the generous gift to the Society of a Silk Flag of the Commonwealth from OLD ESSEX CHAPTER, of Lynn, the presentation of which was made at the meeting of the Society on the anniver-

sary of the birth of Washington at the Hotel Vendome, 22 February, 1912.

At the first suggestion of the need of this valuable addition to the Colors of the Society, OLD ESSEX CHAPTER proffered the gift, and in noble loyalty and fraternity, it has presented it for the benefit of all Compatriots. The largest Chapter, it has shown that greatness in numbers has meant full appreciation of the opportunity for greatness of service, in manful work for the Cause so dear to all of us. Its name is indelibly written on all our hearts. Simple the words, yet with all the eloquence of sincere appreciation, the Massachusetts Society says to OLD ESSEX CHAPTER from full hearts,

THANK YOU."

EDWIN S. CRANDON, *President.*

HERBERT W. KIMBALL, *Secretary.*

APRIL 16, 1912.

The annual meeting of the Chapter was held at Ancient Sirloin Camp. After the regular steak dinner the business session was called. Contributions of \$10.00 each were made —

(a) To the Massachusetts State Society to aid in defraying the expenses of the 23d Annual Congress of the National Society, S.A.R., to be held in Boston, May 19-21, 1912;

(b) To the erection at Washington, D.C., of a National Civic Hall, as a peace memorial to GEORGE WASHINGTON;

(c) To Berea College, in Kentucky.

The reports of the Historian, the Treasurer and the Secretary were then presented. The Historian read as his report appropriate eulogies on the two Compatriots who had died during the year, one of whom, HENRY LEAMAN DOYLE, an ACTUAL SON, passed away in Lynn, Oct. 2, 1911, at the age of seventy-six years.

The report of the Treasurer, as usual, showed the finances of the Chapter to be in a sound condition with every obligation paid, and a substantial balance in the treasury.

The report of the Secretary showed that twenty-nine new members had been admitted during the year, and that the present membership of the Chapter was two hundred and one.

At the election which followed, the former board of officers were severally re-elected.

The guests of the Chapter: —

Compatriot Franklin W. Hobbs, of Brookline (a member of the Society of the Sons of the Revolution), the President of the National Association of Cotton manufactures, and the Treasurer of the Arlington Mills of Lawrence, and the Hon. John P. Sanborn, of

Newport, R.I., made most interesting addresses. The former spoke on the great industry with which he is so prominently identified, and incidentally alluded to the deplorable conditions in the neighboring city of Lawrence; the latter, who was a member of the Commission appointed to arrange for the celebration during the coming summer of the Centennial Anniversary of Commodore Perry's victory on Lake Erie, gave a most interesting description of the program outlined for this occasion, and presented many unknown or forgotten incidents in the life of this great naval hero, who, though he died at the early age of forty-one years, had left an indelible mark in the naval annals of the World.

Compatriot Charles Howard Bangs, M.D., the Historian of the Chapter, read a brief, but most interesting paper on "COMMODORE PERRY."

OCTOBER 6, 1912.

On invitation of Compatriot Henry Breed Sprague, the Board of Managers and the Advisory Committee of the Chapter were entertained at his beautiful estate, "The Larches," in Swampscott, during the afternoon and evening. After roaming about the beautiful grounds, automobiles were taken for a visit to the Swampscott High School from which a magnificent panorama of the surrounding country clothed in its richest garb of autumn was obtained,

and then a ride was taken through the Lynn Park System. On returning to the residence of our host, a most delightful dinner was provided by Compatriot and Mrs. Sprague with a grace so characteristic of their boundless hospitality, which was followed by an evening of contagious good-fellowship.

OCTOBER 17, 1912.

The anniversaries of the battles of Saratoga and of Yorktown were observed by a regular meeting of the Chapter at Ancient Sirloin Camp. The guest of the evening was Lieutenant John H. Westfall, U.S. Navy (retired) who gave a talk illustrated by stereopticon on "THE LOST FLEET AT SAMOA." The vivid description given of the beautiful isle far off in the South Sea which was the last earthly abode of the gifted Robert Louis Stevenson, and the recital of the incidents during the memorable hurricane of March 15, 1889, which completely wrecked the assembled naval fleets of Germany and the United States and plunged the civilized world into mourning, held the audience spell-bound for almost two hours.

APRIL 16, 1913.

The annual meeting of the Chapter was held at Ancient Sirloin Camp. After the regulation dinner the business session was called, during which the reports of the Historian, the Treasurer and the Secretary were

presented. The report of the latter showed that thirteen new members had been admitted during the year, that four Compatriots had died and five had resigned or had forfeited their membership, leaving the present enrollment two hundred five.

In the election which followed the former board of officers was re-elected for the ensuing year.

The guest of the evening was Mr. Melville Chase Freeman, of Roxbury, who gave a brilliant and scholarly address on ANDREW JACKSON, in which he paid a wonderful tribute to the "Hero of New Orleans," whose dominating will, absolute honesty and fearlessness, and rugged virtues stamp him as a *unique figure* in the political history of the United States.

OCTOBER 16, 1913.

Notices had been issued that — "The Chapter will hold a Ladies' Night and a Reception to the President of the Massachusetts Society, S.A.R., Mr. Luther Atwood and Mrs. Atwood, at Ancient Sirloin Camp on the above date," to which the responses were general. The Weather Bureau kindly came to the relief of the recipients of this proposed act of esteem on the part of OLD ESSEX CHAPTER by providing a driving N.E. storm of unprecedented duration and intensity which necessitated the abandonment of this function for which all the preparations had been generously made.

FEBRUARY 26, 1914.

At 3.30 P.M. on an ideal winter day with the ground covered with a mantle of some twelve inches of freshly fallen snow, a large party of Compatriots with William Sumner Appleton, Esq., of Boston, the Secretary of the Society for the Preservation of New England Antiquities, as guest, enjoyed a "pung ride" to Saugus where they thoroughly inspected the "OLD IRON WORKS HOUSE" and then were driven via Lynnfield to Ancient Sirloin Camp, where with keenly whetted appetites they were prepared to do full justice to the abundant dinner which had been provided.

In the evening Compatriot Appleton gave a most interesting talk on "EARLY COLONIAL HOUSES IN NEW ENGLAND" and alluded to the notable work of his Society in restoring many of these relics of early days and preserving them for posterity. He gave a complete history of the "Old Iron Works House" built about 1650, and declared that there were only *four* older extant houses in the entire country. He stated that it combines the distinction of being one of the *oldest*, one of the most *historic*, and *architecturally* one of the most *interesting* structures in America, and expressed the hope that OLD ESSEX CHAPTER might see its way to purchase this ancient land-mark and restore it to its pristine condition.

APRIL 16, 1914.

The annual meeting was held at Ancient Sir-loin Camp and, in spite of a snow storm of unusual severity for this time of the year, it was very well attended. An abundant dinner was provided, and, judging from the supply of provisions consumed, it is safe to say that "none went away dissatisfied." After the Chapter had convened in regular session, the reports of the various officers were presented. The Secretary stated that the present membership is two hundred eighteen, including one *actual son*, AMERICA SHATTUCK. Two members had died during the year, two had resigned and two had been dropped for non-payment of dues. Nineteen new members had been admitted, thus showing a net gain for the year of thirteen. After the election had been held, by which, according either to the pre-eminent fitness of the various officers or to their sagacity as successful politicians, all were re-elected, it was moved and unanimously carried that "The Board of Managers and the Advisory Committee consider the feasibility of securing a convenient camp site and erecting thereon a structure adequate to the needs of the Chapter."

The essayist of the evening was Compatriot Hon. Nathan Mortimer Hawkes, who gave a most delightful talk on "The Revolutionary Houses of Saugus." This was abundantly illustrated by stereopticon slides

made for the most part from negatives taken by Com-patriot George Spencer Bliss, who manipulated the lantern.

MAY 27, 1914.

A special meeting of the Board of Managers and the Advisory Committee of the Chapter was held at the Oxford Club at which various matters which had been referred to them were considered.

1. It was unanimously resolved in view of the great cost of the undertaking that — “It is infeasible for the Chapter to attempt to purchase and restore the Old Iron Works House in Saugus.”

2. It was voted that “OLD ESSEX CHAPTER appropriate a sum not exceeding \$50.00 to procure and erect at some suitable locality along the route of Washington’s journey a slate tablet conforming to the design authorized by the Board of Managers of the Massachusetts Society of the Sons of the American Revolution in commemoration of the proposed pilgrimage from Philadelphia to Cambridge, June 23 — July 3, 1914, which is to repeat as closely as possible the journey taken by General Washington in 1775 when he came to New England to take command of the Patriot Army.”

3. A committee of five was appointed to look up available sites for a Chapter Camp with instructions to report at some subsequent meeting.

OCTOBER 22, 1914.

The regular fall meeting of the Chapter was, through the courtesy of Compatriot Dr. Charles Howard Bangs, held at the Associates' Camp in Swampscott. After the customary steak dinner had been served, various matters of business were considered.

It was moved by Compatriot General Reade and unanimously carried, with regard to a communication from President-General Thruston, that — "Our hearts, our hands, and our co-operation be in the furtherance of the project to construct a "GEORGE WASHINGTON HIGH WAY," to pass through the thirteen original states, including Vermont and Rhode Island."

It was unanimously voted that — "The proper authorities proceed to obtain an act of incorporation for OLD ESSEX CHAPTER." It was then voted that — "The proposition of building a Camp be laid on the table until the Chapter shall be incorporated."

Two very interesting papers were then presented: one by Compatriot Marshal Putnam Thompson, of Brookline, on "THE CAUSE OF THE PRESENT EUROPEAN WAR"; and the other on "ARMS AND THE MAN," by Compatriot Philip Reade, Brigadier-General, U.S.A. (retired).

DECEMBER 1, 1914.

A meeting of the Board of Managers and the Advisory Committee was held at the Oxford Club at

8 P.M., and the articles of incorporation of OLD ESSEX CHAPTER, which had been prepared by Compatriot Henry Rogers Mayo with the greatest skill and with a most generous contribution of his valuable legal services, were presented and formally ratified by the "Board of Governors" and by them legally subscribed to in the presence of Compatriot Charles Leighton, Esq.

The certificate of incorporation was duly issued by the Commonwealth of Massachusetts Dec. 4, 1914.

The Secretary was authorized to procure a suitable corporate seal for the Chapter, which was in due time worked out by Mr. Ernest L. Proctor, the engraver of this city, being a representation of Abednego Ramsdell, the first Lynn man killed in the Revolutionary War, on his way to Lexington in response to the Alarm of April 19, 1775.

DECEMBER 15, 1914.

By courtesy of Vice-President Henry Fuller Tapley, the Board of Governors and a few invited Compatriots met at his residence for an evening of delightful social intercourse. The certificate of incorporation which had been issued by the Commonwealth was exhibited, and various matters pertaining to the welfare of the Chapter were considered. Compatriot Webster Bruce moved that "In view of our organization entering on the twentieth year of its existence, it seems desirable to publish a Register of OLD ESSEX

CHAPTER which shall contain a roster of its members and a history of its activities from the date of its formation," and it was unanimously voted to refer the question to the next meeting of the Chapter. A bountiful collation concluded this most pleasant function.

FEBRUARY 25, 1915.

A special meeting of the Chapter was held in Elks' Hall, Lynn at 7.45 P.M. A detail of the 7th Co. Coast Artillery Corps, M.V.M., under the command of Sergeant James H. Packard, gave a well executed drill and an exhibition of calisthenics to the accompaniment of music. This was followed on special request by an *impromptu* exhibition drill by a veteran squad of the Civil War, consisting of Compatriot Captain Henry Newton Comey under the command of Compatriot Philip Reade, Brigadier-General U.S. Army (retired), and the precision and agility of these warriors of some three score years and ten was a revelation to the audience.

Compatriot Marshal Putnam Thompson, of Brookline, then presented two very interesting historical papers. The first treated of "THE EMBARGO OF 1812," and the second was on "THE MOST EMINENT CITIZEN, TRAITOR AND PATRIOT OF ESSEX COUNTY," being a review of the life and services of Benjamin Thompson, better known as COUNT RUMFORD.

Seventeen members of "THE WASHINGTON GUARD" were present as invited guests, and the objects of this organization, which was recommended at the Syracuse Congress of the National Society, were explained.

The suggestion was made that Compatriots of OLD ESSEX CHAPTER contribute to the "box" which the Boston Chapter, S.A.R., proposes to send in memory of Lafayette to the sick and wounded soldiers of all nations in the hospitals of France, and in due time this suggestion met with a most generous response from our Compatriots.

An excellent collation concluded the evening's program.

APRIL 16, 1915.

The twentieth Annual Meeting of OLD ESSEX CHAPTER, S.A.R., Inc., was held at the Associates' Camp in Swampscott. After a steak dinner of exceptional quality and bounty had been served, the Chapter was called to order for the transaction of business.

The President called attention to the fact that the present date marks the fiftieth anniversary of the assassination of ABRAHAM LINCOLN, and all of the assembled Compatriots rose and remained standing for a moment in silent reverence to his memory.

The reports of officers were read and they were highly interesting and satisfactory. The Secretary gave the information that twenty-one new members

had been admitted during the year, that six Compatriots had died, and that the losses by resignation or forfeiture of membership had been ten, thus making the present strength of the Chapter two hundred twenty-three, a gain of five during the twelve months just ended.

Compatriot Hon. Horace Hale Atherton, Jr., who had for four years served the Chapter with marked ability as its President, announced that he was not a candidate for re-election, and, in the election which followed, Compatriot Arthur Wellington Pinkham was chosen President of the Chapter. Otherwise, the former Board of Governors were re-elected for the ensuing year.

A cordial vote of thanks was by a unanimous rising vote tendered to President Atherton for his valuable services to the Chapter.

The guest of the evening was Doctor James Barnes, of New Orleans, who gave an intensely interesting talk on "Bohemia." Being a native of that country he spoke from an intimate acquaintance with its history and its institutions. He alluded to the musical genius of its people and to their notable attainments in many lines, in spite of the handicap of the persecution and the reprisals which she has suffered at the hands of Austria since the Calixtines Wars, which raged from 1416-1620. He paid a notable tribute to two of her greatest men — JAN HUS, who stood side by side with Martin Luther in the Reformation, and COMENIUS,

who revolutionized educational methods which affected the whole of Europe. It may be of interest to note that its foremost University, that at Prague, antedates Oxford by fifty years, while its history dates back to about 400 A.D. when the Slavic tribes, or Cechs, united to form a nation.

THE WASHINGTON GUARD

ITS ORGANIZATION AND OBJECT

THE idea of "The Washington Guard" was originated by Compatriot John Lenord Merrill, the President of the New Jersey Society, S.A.R., who, desiring to enlist the interest of the coming generation in the objects of our Society, conceived the plan of enrolling the minor sons or grandsons of members of the Societies of the Sons of the American Revolution, the Daughters of the American Revolution and the Daughters of the Revolution into an organization under the fostering care of the first mentioned Society.

During the year 1913-4, a flourishing battalion of *The Washington Guard*, comprising about three hundred members, was formed in New Jersey, and a report on this organization was rendered by Compatriot Merrill at the Congress of the National Society, S.A.R., which was held at Syracuse, N.Y., May 18-19, 1914. The idea of the Guard met with the hearty approval of the Congress and the recommendation was made that similar battalions be organized subsidiary to the different State Societies. Compatriot Herman W. Fernberger, of Pennsylvania, a Vice-President General of the National Society, offered to present to the next Congress an American flag, with a streamer attached, "*Washington Guards, S.A.R.*," to the New Jersey

Society, to be in its custody for one year, for organizing this Guard, and thereafter the flag is to go to the State enrolling the largest number of members in *The Washington Guard* in that State.

At the meeting of the Board of Managers of the Massachusetts Society held June 12, 1914, it was unanimously voted to follow the example of New Jersey and enroll a battalion of "*The Washington Guard*" in this State. A committee was appointed to carry out the project and the enrollment of guardsmen has been begun. The committee has not yet rendered its final report owing, possibly, to its inability to obtain definite information from the other State Societies regarding the general plan of organization which should be uniform throughout the country. The movement, however, is under way, and Massachusetts can claim the credit of being the second State to authorize a *Washington Guard*.

It is proposed to have no dues for membership in the Guard, and each boy enrolled is to be given a certificate of membership and a rosette, or button, similar to, but not identical with, the rosette of the parent organization. The State Board of Managers authorized the purchase of several hundred of these buttons, but, as they were made in Germany, the embargo incident to the war in Europe has prevented their delivery.

The following sons or grandsons of OLD ESSEX CHAPTER members have been enrolled:

WASHINGTON'S JOURNEY FROM PHILADELPHIA
TO CAMBRIDGE IN 1775

PART TAKEN BY OLD ESSEX CHAPTER

STORY OF PILGRIMAGE AND THE MARKER AT WAYSIDE INN

AT the Twenty-fourth Annual Congress of the National Society of the Sons of the American Revolution held at Chicago, Illinois, May 19 and 20, 1913, Compatriot Henry Fuller Punderson of Springfield offered the following resolutions, which were adopted:

Resolved, That the National Society Sons of the American Revolution adopt the plan proposed by the *George Washington Chapter*, of Springfield, Mass., to mark the route taken by General Washington on his journey from Philadelphia to Cambridge to take command of the American forces.

Resolved, That the State Societies of Pennsylvania, New Jersey, New York, Connecticut and Massachusetts be requested to co-operate.

Resolved, That the President-General appoint a committee of fifteen, consisting of three members from

each of the States of Pennsylvania, New Jersey, New York, Connecticut and Massachusetts, and that the committee be given power to arrange and carry out the idea proposed without expense to the National Society.

As authorized by the above resolutions, the President-General in due time appointed the Committee of fifteen representing the five states before mentioned, of whom the Massachusetts members were: —

Compatriots Henry Fuller Punderson, of Springfield, Brig. General Philip Reade, U.S.A. (retired), a member of OLD ESSEX CHAPTER, and George Maury Rice of Worcester.

The committee of fifteen, supplemented by local committees in the different states, showed great interest and activity in the project and a very interesting program was arranged for the pilgrimage, which included visits to all of the important historical localities along the route of Washington's journey.

The first formal function was a banquet at the Bellevue-Stratford Hotel, Philadelphia, on the evening of June 22, 1915, to commemorate the farewell dinner given to General Washington in the same city on June 22, 1775.

The next morning the President-General of the National Society of the Sons of the American Revolution, Hon. Rogers Clark Ballard Thruston, and the Compatriots and their ladies who participated in the pilgrimage started in automobiles to follow the route

taken by Washington in his journey from the Delaware to the Charles just 139 years before.

It will be impossible in the scope of this notice to enumerate the many interesting incidents which occurred on this memorable pilgrimage or to note the manifold courtesies extended by the Compatriots and sympathetic citizens of the different localities through which the journey was made. It was, however, the good fortune of the President of the Massachusetts Society to join the party at Springfield, and as the guest of the President-General to complete the pilgrimage through this Commonwealth. He can therefore testify to the hearty co-operation of the men and women of Massachusetts in a project happily conceived and carried to fruition with a measure of success far beyond the anticipations of its promoters. The Board of Managers of the State Society made a most generous appropriation, and the Chapters of Springfield, Worcester, Cambridge, Boston and Lynn lent to the project their most loyal and cordial support. Especially gratifying was the magnificent co-operation of the Ancient and Honorable Artillery Company of Boston and the Fusileer Veteran Association whose marked courtesies and brilliant uniforms made a unique feature in the Pilgrimage which no other State presented. To the ranking officers of these two organizations, Captain James David Coady, and Major James William Horace Myrick (a member of OLD ESSEX CHAPTER) much of the success of the interesting func-

tions which marked the termination of the pilgrimage at Sudbury, Watertown, Cambridge and Boston on July 2-3 was due.

In one respect Massachusetts fairly *eclipsed* all the other States which participated in this celebration, to wit, — in the number of markers erected to define the route followed by Washington in 1775. In all, nine tablets were erected and fittingly dedicated in the following order: Springfield, Palmer, Leicester, Worcester, Sudbury, Weston, Waltham and two in Watertown, one of the latter being contributed by the Ancient and Honorable Artillery Company. That at Sudbury, directly in front of the Wayside Inn, of which the present Landlord is Compatriot Edward Rivers Lemon (an honorary member of this Chapter) was furnished by
OLD ESSEX CHAPTER.

The pilgrims arrived at this historic Inn shortly before noon on July 2nd. A chicken dinner was generously provided by the State Society for our visiting guests, before and after which an opportunity was furnished to the visitors to inspect the historic treasures gathered in this ancient hostelry, which for more than 200 years has befriended the weary traveler, and has been hallowed by the visits of Washington, Lafayette, and many of our famous Revolutionary patriots. After dinner, occurred the formal unveiling of the memorial, a slate tablet three and one-half feet high, into which had been set the bronze insignia of the S.A.R., with this inscription:

JUNE — 1775 — JULY

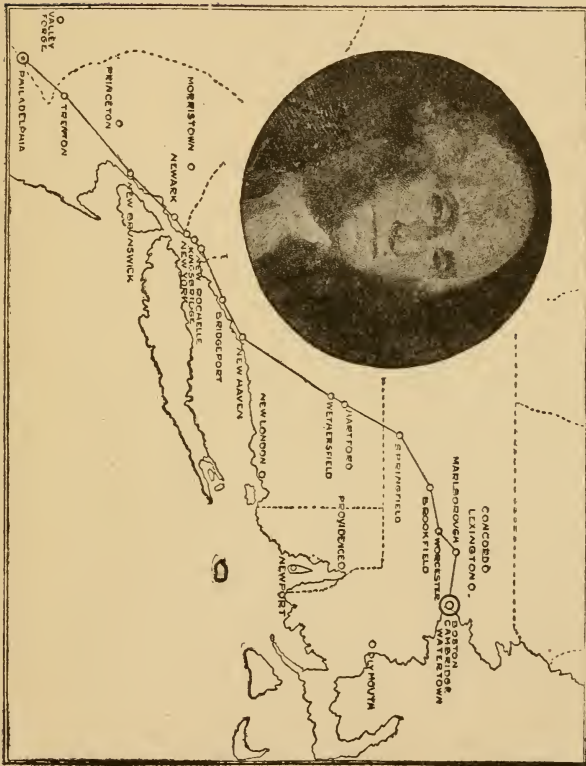

ERECTED BY
OLD ESSEX CHAPTER S.A.R.
LYNN, MASS.

2ND JULY — 1914.

A goodly delegation from OLD ESSEX CHAPTER was present and Hon. Horace Hale Atherton, Jr., the President of the Chapter, made an appropriate dedicatory address. The military spectacle of the bright uniforms of the Fusileer Veteran Association, the Ancient and Honorable Artillery Company, and the Lexington Minute-men pleasantly blending with the civilian garb of the many spectators, made a most pleasing environment savoring of Revolutionary days, and the contribution of OLD ESSEX CHAPTER may rightly be regarded as one of the *features* of this interesting historical pilgrimage.
